Calgary Section

Calgary SPE Teams Overview

2023-2024

EDUCATIONAL SUPPORT (VENKY)

- Actively collaborate with the SPE Canadian Educational Foundation (SPECEF) to further our commitment to advancing energy education
- Supporting and enhancing educational initiatives within the petroleum engineering field
- Acting as a liaison between the SPE and the University of Calgary (U of C), and Southern Alberta Institute of Technology (SAIT) energy programs and societies

Looking for volunteers to help:

- Come up creative/fun ideas for school programs
- Find opportunities to engage the next generation and advocate for a career in energy
- Volunteer at educational events (ie. Fracking with Jello)

MEMBERSHIP & RECOGNITION (JULIO)

This is the committee that has more handsome people ټ(ツ)ㄣ

Our team works to recognize volunteers & role models, as well as recruitment & retention of members

GOALS: Create value for the SPE Calgary Section. Expand and include new disciplines & motivate young people to pursue careers in the O&G industry

HIGHLIGHTS

- Annual Award Ceremony
- Promoting benefits of SPE
- Motivated and energetic team
- Fun opportunity to interact with industry

WHY?

- Develop your Network
- Relationship Building
- Volunteer hours for CPD
- Limited time commitment
- It is fun and rewarding

SPONSORSHIP (AYMANE & NICK)

We are a non-profit! We run on a limited budget each year, but still manage to put on great events!

We are looking for volunteers to:

- Help meet with potential sponsors, pitch our mission
- Expand our network
- Advertise our events and sponsorship opportunities

What you get out of it:

**Develop your
communication
skills**

**Grow YOUR
network (excellent
exposure)**

**Work with all SPE
Organizations**

SOCIAL & NETWORKING EVENTS (ANDRES & TEDI)

Work hard, play harder! And network!

We are looking for volunteers to:

- Help come up with budget-friendly new ideas for networking
- Help us build a strong sense of community

What you get out of it:

- So much fun
- Lots of networking
- Golf Tournament, Social events and more

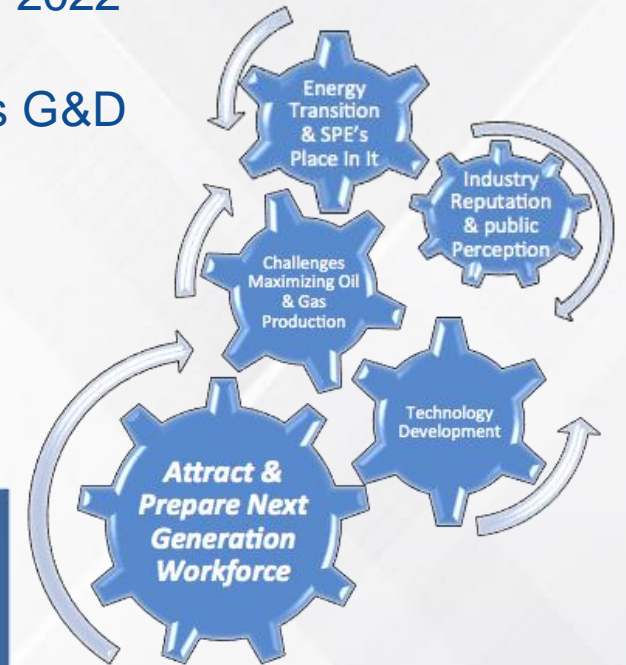

GROWTH & DEVELOPMENT (JIM & AMANDA)

SPE Strategic Plan and historical membership trends:

- Graph shows historical membership and a hypothetical growth rate of 7.8% from 2022 to 2026
- Successful implementation of SPE's Strategic Plan in Canada is key to members G&D

Meeting the members needs as voiced in the Strategic Plan:

- the members five concerns are paramount, and
 - meeting stakeholders needs – Educators, Sponsors, Producers and External groups (e.g. APEGA) - is important to members

TECHNICAL PROGRAMS (MARC)

The possibilities are endless! We do technical events at least 1x/week

Plan

- Find speakers
- Book venue

Coordinate

- Set up venue
- Request registration & marketing

Execute

- Registration
- Greet guests
- Thank speaker

- Reservoir Evaluation & Production Optimization
- Data Analytics
- Drilling and Completions
- Business Breakfast Series
- Regulatory Economic Reserves
- Geomechanics
- Production, Facilities & Heavy Oil
- Health, Safety, Environment & Sustainability
- Technical & Professional Development
- Software Engineering & Architecture
- SPE YP lunch & learns

Creativity, Enthusiasm, & Drive

OPPORTUNITIES

- **Brand Guardianship:** maintain and enhance the SPE's branding with innovative swag, banners, and more.
- **Social Media Savvy:** Craft engaging content for our LinkedIn, Insta, and FB pages to connect with the community.
- **Newsletter Creation:** Creating bi-weekly newsletters to keep our members informed about the exciting upcoming events.
- **Event Marketing Whiz:** Design compelling marketing materials for our sponsored events and make an impact.

BENEFITS

- **Skill Development:** Master graphic design with Canva and become a visual communication pro.
- **Communication Mastery:** Sharpen your communication skills with hands-on experience in a dynamic environment.
- **Industry Connections:** Gain invaluable exposure to sponsor companies and build a network within the energy industry.

TREASURER (ADRIA & TARIQ)

Responsibilities:

- Ensure funds are balanced and all incomes/expenses are documented
- Collect and disburse funds as approved
- Submit Financial Statements
- Prepare documents for audits
- Liaise with the accountant and financial advisors

What we're looking for:

- Organized, reliable volunteer to handle the books!
- Power BI and/or Quickbooks experience preferred

DATA ANALYST (ARSALAN)

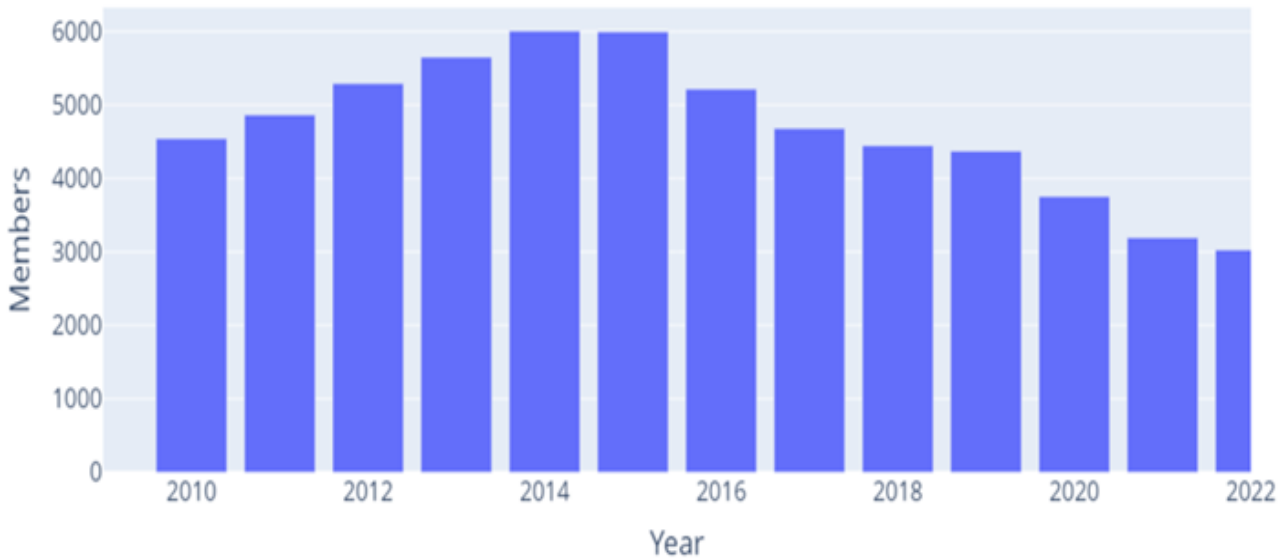

Membership data from APEGA / EGBC / University of Calgary / Engineers Canada

Clean and Perform Exploratory data analysis

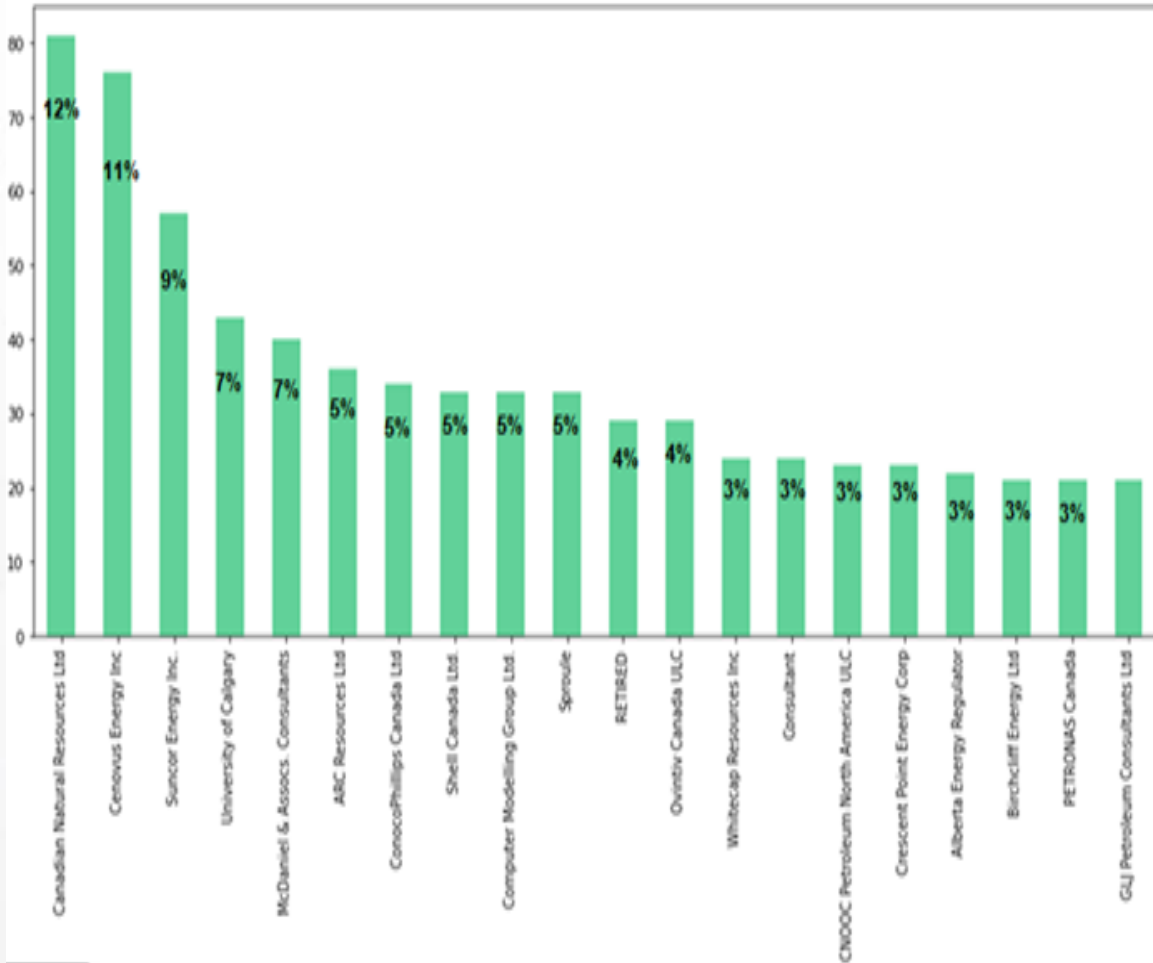

Develop SPE PowerBi Dashboards to provide value to seek funding to reverse membership decline

Volunteers to develop and optimize real-time PowerBi dashboards

Canada Membership by Year

Professionals by Employer
